It is also good to have:

- (+ string , OT ending, bunacord.. whatever you like to string your beads on)

### CLAY

- White clay 1x (2oz)
- Scrap clay (must be same brand you use for inked sheet) (about 2Oz)
- One matching color (for little beads – I made turquoise ones, but can be any you like)

ALCOHOL INKS – your favourite brand and colors 2-4 colors, you like, or you have :-D. I use Adirondack and Pinata, but all brands works. (*fall colors can be : orange, red, yellow, turquoise for example*).
